

Exposure 2018

Entry Instructions - Web Version

1. Download a copy of the entry form from this website. The form will be left at the Gallery with your entries. If you wish a copy for your own records, download two copies, fill them both out and retain one. If you wish, you can bring the copy you wish to retain to the Gallery when you drop off your entries, and have a Gallery member initial that form.
2. Leave the line showing "Artist Number: W____" blank. A number will be assigned to you when you bring your entries to the Gallery, along with stickers to help us keep track of the entries. We will use the information to make labels for each of your entries.
3. The Gallery reserves the right to limit entries at its sole discretion. We attempt to give all artists an equal amount of space to show their art. Because space is limited, if someone were to enter several extra-large pieces, we might not be able to hang them all. Therefore, please put the item that you would most like to see displayed in box [a], your next choice in box [b], and so on.
4. This show is for original art, designed and created by you. Please don't submit copies of images or items that you have seen in magazines, etc., or that you have designed and have had someone else create.
5. If you have entered a series of items, and they are for sale individually, then each item is a separate entry. If they are for sale as a group, then the group will count as one entry, providing the individual items are small. What counts as "small" will be up to the discretion of the Gallery member accepting your entries. If they are not for sale, acceptance as a group or individually will still depend on their size, and still be at the Gallery's discretion.
6. Drop-off and pick-up dates are shown at the top of the entry form, along with the opening and closing dates of the show. At the end of the show, please pick up your work, or arrange to have someone pick it up for you from Monday, April 30, through the following week.
7. Please ensure that any hanging entries are wired for hanging. Brackets do not work well with our hanging system at the Gallery, and we will not hang any work where it appears that we can't hang it securely. We will not wire the work for you.
- 8. This year, Elizabeth is offering a 30% discount on framing and mounting of all art entries. If you wish to take advantage of this offer, bring your entries to the Gallery, and we will provide you with a discount certificate to take upstairs to Elizabeth's Gallery to have the work done.**
